## PREFACE

---

The Daughters of the American Revolution in Pennsylvania, realizing the necessity of having a general index for the "Rolls of Honor" (Ancestor's Index), in the published volumes of the Lineage Books of the National Society of the Daughters of the American Revolution, decided in April, 1914, to have a card index made which would include each separate index printed in the Lineage books.

The carrying out of this plan having been left to me, I engaged Miss Alice M. Flick, formerly assistant in the cataloguing department of Carnegie Library, Pittsburgh, to compile the index, which was completed in June, 1915. The cost of making the card index was paid from the funds of the Pennsylvania Daughters of the American Revolution.

Upon my request the Pennsylvania State Conference of the Daughters of the American Revolution, which met in Pittsburgh in October, 1915, gave me permission to have this Card Index put in print according to whatever plan I might adopt, provided that there would be no further expense to the State Daughters of the American Revolution.

With the assistance of Miss Eliza Olver Denniston, this Index of the Honor Rolls in volumes one to forty of the Lineage books of the National Society Daughters of the American Revolution, has been prepared for publication. The Index includes the references to volume and page where are to be found the records of services of over twenty-five thousand men and women who achieved American Independence, and the names of their descendants who were admitted to membership in the National Society of the Daughters of the American Revolution from the founding of the Society in 1890 to 1902.

With the hope that this index, with its convenient form of reference, will be of value to historians, registrars, genealogists and all others whose belief is that the perpetuation of the spirit of our ancestors of the Revolutionary period will bind together the people of this Nation, this volume is dedicated to the Pennsylvania Daughters of the American Revolution.

# Foreword

---

SOON after entering upon the duties of the office of Historian General three years ago, there was brought to my attention the need and the demand for a further index to the Rolls of Honor (Ancestor's Index) in the Lineage Books. More than sixty volumes of Lineage Books had been issued by the National Society and there was a general index for volumes 1-40 only. This had been published in 1916 by Mrs. Samuel A. Ammon and dedicated to Pennsylvania Daughters of the American Revolution.

Personally, I assumed the task of making a card index for the volumes to be issued during my term of office. A card index for the intervening volumes, 41-60, has been made by my able assistants in the office of the Historian General; the work of preparing the cards for the printer has been done in the same way.

The Daughters of the American Revolution in West Virginia, wishing to assist in the publication of this work undertaken by one of their number, have contributed to the National Board of Management \$1,500 through their State Regent, Mrs. Robert J. Reed.

This index to volumes 41-80 of the Lineage Books contains references to volume and page, where are to be found a record of the services of men and women who assisted in establishing American independence and the names of their descendants admitted to the National Society, Daughters of the American Revolution from the year 1902 to 1910.

My part in this work has been a great pleasure; and with the hope that the book may be of real value to those interested in preserving the early history of our nation, this volume is presented to the National Society as one of the many achievements of the brilliant administration of Mrs. Anthony Wayne Cook, President General.

MARY MODERWELL DE BOLT, (MRS. GEORGE DE BOLT)
